The purpose of the Monogram Club is to promote better sportsmanship on and off the playing field. When not participating in an athletic contest, the members are busy with different activities, among which are working the concession stands for football and basketball games, taking up tickets for the games, and raising money for new uniforms for the teams. Some of this money goes to the varsity cheerleaders and provides award ribbons for the track meets. Also, the Monogram Club printed up special programs for the Homecoming Game; went halfway with the Athletic Department on buying a pop-corn machine for the gym; and, sponsored their biggest social activity, a Christmas Dance.

One is eligible for membership in the Monogram Club after earning a varsity letter. It is an honor for an athlete to be able to wear the emblem of the Monogram Club.

OFFICERS: R. Burgess; Interclub Council Rep.; Carolyn Ward, Pres.; Elaine Acree, Vice-Pres.

The Girls' Athletic Association gives Lane girls who are interested in sports an opportunity to participate in them outside of Physical Education class. One of the chief objectives of the club is to encourage sportsmanship. A knowledge of and respect for the rules of the games are stressed. Every girl is encouraged to play hard and to win or lose graciously.

This organization, although not lacking in enthusiastic members, is greatly handicapped by a lack of facilities during the winter months when the Basketball team uses the gym. In the early fall the club played some basketball. In the spring when the men retire to the track and diamond, the club plans to have more activities.
